2nd Annual Harris County International Trade & Transportation Conference

January 24-26, 2010 at The Hilton of the Americas

Welcome to the Second Annual Harris County International Trade & Transportation Conference. The Texas Gulf Coast is destined to become "gateway to North America." And, Harris County, the third largest county in the United States, and surrounding counties, must take steps now to fulfill that destiny. The Port of Houston and other Texas ports will need efficient transportation and adequate infrastructure to meet the growing demands. In addition to building infrastructure and improving the overall transportation network, our region must build relationships with current and future trading partners. The first year's conference focused on our neighbor and economic partner, Mexico. The 2010 conference will highlight Brazil, a country destined for the top tier among global economies and a natural trading partner with Harris County.

If you have a specific interest in trade with Brazil, the future of our region, or a general interest in international transportation and logistics, this conference is for you.

We welcome your full participation.

- Harris County Judge Ed Emmett

From the Editor**PEACE ON EARTH**

Over 2,000 years ago, the Prince of Peace came to Earth to provide a way for man to repent. The trend across America is to refuse the peace and instead engage in quite the opposite: high stress pursuits where second place is never good enough. Where does this get us?

In transportation, the pressures that we face at work are undeniable. It is natural for this competitiveness to carry over to our personal lives, when we end up making each situation – from traffic to grocery store lines to the fast food drive-thru speaker – a high pressure high stress contest to be won or lost. At what gain? At what cost?

When possible, accept unchangeable situations and roll with the punches. Doctors tell us that stress in our day-to-day lives can be harmful. We know that the furrowed brow and tight shoulders of daily pressure can leave us feeling defeated. And seldom further ahead.

Jesus said, "...I have come that they may have life, and have it to the full." Consider giving a try this month at letting a little more peace and acceptance into your life. The success is sure. Cool.

Danny danny@clarkfreight.com

"Come to me, all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy and my burden is light." Matthew 11:28-30

Welfare Report

Longtime TCH Treasurer and committee member Leo Stupur passed away in November. Leo was a great part of our club, serving on committees such as the education committee with diligence and persistence. His attention to detail improved the quality of our website, seminars, and much more over the 15+ years that he was involved. Leo was traffic director at Huntsman Chemical and will be greatly missed.

NTW Houston 2010

The month of May is not very far away (that's hard to grasp in the midst of snow, winter coats, and "Silver Bells"). On May 16 thru 22 we will celebrate the valuable contribution of the transportation industry with another year of industry-wide, city-wide events for NATIONAL TRANSPORTATION WEEK.

Houston has won the TCI award for NTW two years in a row, thanks to great multi-club participation. This year, the NTW Houston chair is TCI President Denny Tam (DJ Railcar Services). TCH has made plans for another year of NTW celebration and encourages all clubs to do the same. Your company, and you as an individual can get involved. To see the great series of events being lined up see www.ntwhouston.org.

1940's Air Terminal Museum Report

Visit our friends at the 1940's Air Terminal, to see the restored main terminal. TCH is a lifetime member of the museum and will hold more events there. Check their web page for special events & airplane giveaways: www.1940airterminal.org.

**TCI Scholarship Winner Travis "Barrett" Black**

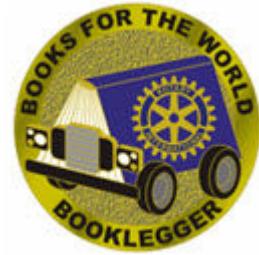

TCI awarded many scholarships at the annual conference in Chattanooga this year. One of the winners is Alabama native Travis "Barrett" Black, who is finishing up his bachelor's degree from Commerce and Business Administration in December 2009. TCH Past President Danny Schnautz is Barrett's mentor. We welcome Barrett to our industry.

You can reach him at black.barrett@gmail.com with ideas, encouragement, or to get a resume'.

Rotary Books For the World

TCH supports this worthy charity which distributes discarded textbooks throughout the world.

Rotary International has over eight years of success and growth in this project. Transportation partners are needed for trucking, rail service, ocean transport, warehousing, and shipping container donations. Current partners include BNSF, MSC Lines, Maersk, Exel Logistics, Flexi-Van Leasing, and Clark Freight Lines. Cash donations are also accepted. Charles Spurgeon

"Now this is our boast: Our conscience testifies that we have conducted ourselves in the world, and especially in our relations with you, in the holiness and sincerity that are from God. We have done so not according to worldly wisdom but according to God's grace."
