### T. C. H. LUNCHEON

April 4, 2006 Annual Past Presidents Day - Past Presidents from the past 40 years will be in attendance.

Speaker: RAY RODRIGUEZ

"TRANSPORTATION SECURITY ISSUES"

Ray grew up in Puerto Rico, graduated from University of Puerto Rico and did graduate studies at USC in Systems Management.

He spent five years on active duty with the U.S. Air Force as a ground Transportation Officer and an additional five years in the reserves as an Air Transportation Officer specializing in worldwide cargo distribution. He worked with Honeywell, Inc., Security Division for over twenty-one years, worked with Best Access Systems as Access Control Manager and then with Mosler Corporation as General Manager for the Houston and West Louisiana areas. He then moved to Access & Video Integration specializing in the development of security surveillance and card access systems for Industrial, Health Care, Transportation and Educational applications.

Ray is an avid cyclist who competes in mountain bike races and routinely takes century (100 mile) rides in different areas of Texas.
